

OSLO CINEMAS

This project is made by Eslem Guler, Ceren Turkmen and Hasan Cetin.

We first met up and put our ideas together, then split the workload and everybody worked with their own initiatives. After everybody's done, we put the code's together and here you can see every individual's work:

Eslem Guler (xguler03)

- idxex.html, (header+footer that we used in roughly every page)
- services.html,
- oslo.css

Ceren Turkmen (xturkm00)

- contact.html
- locations.html
- contact.css
- locations.css

Hasan Cetin (xcetin01)

- sessions.html,
- content.html and other content's for films individual pages
- movie.css,
- sessions.css
